—FUGITIVE ARRESTED.—George Carroll, alias George Melville, colored, was arrested yesterday in Washington and will be sent to Albany to serve the five years' sentence which was passed upon him for robbing Capt. M. B. Hughes of \$500 worth of diamonds. Melville formerly worked for Capt. Hughes of the Ninth Cavalry, then stationed at Fort Meyer. One day, while the family were away, Carroll entered the house and stole Mrs. Hughes' jewels, among which were diamonds, some of which were valued at several hundred dollars. The diamonds he sold separately, and he was eventually arrested and brought to this city, where he was tried before the United States court, and upon conviction sentenced to five years in the penitentiary at Albany.

On the night of July 7, 1894, a few days after the man was sentenced, he succeeded in breaking jail here, and since that time nothing has been heard of him until arrested in Washington yesterday. Carroll was brought here this morning by Jail Warden Hayes to be resentence, and unless he escapes again, will be taken to the penitentiary to serve his term.

—NOT JOHN CANTER.—Mr. George Canter, brother of John Canter, James Parcell, a son-in-law, and George Owens, a brother-in-law, have returned from Colonial Beach, where they went to view the remains of the man found dead with his throat cut and buried there. They say that the publication to the effect that the dead man at the beach was John Canter was entirely false, and that not the semblance of excuse exists for supposing that the Colonial Beach body was that of Canter. They heard nothing while at the beach of a second body having been found. It was said, however, that the bodies of two colored men had been found somewhere between Colonial Beach and Wilkeson's wharf, but their throats were not cut. John Canter is said to be sick near Brandywine Md.

—MAN KILLED.—The passenger train on the Washington Southern Railway which left here this morning at 4:39 o'clock killed an unknown man, supposed to be a tramp, at Studts' cut, this side of Franconia. There are different stories about the killing. One is that the man undressed and laid his head on the track and the other is that the man was stealing a ride on the trucks when he slipped and partially fell on the track. The man's head was cut entirely off and was found some distance from the train which was stopped when the conductor discovered that something was wrong under the cars. The man's body was found wedged in the trucks in a terrible mutilated condition. No one saw the killing and there was no clue to the man's identity.

—POLICE COURT.—Mayor G. L. Simpson presiding.—The following cases were disposed of this morning:

John Baggett, arrested by Officer Knight for disorderly conduct and fighting, was fined \$2.

Benjamin Quill, arrested by Officer Roberts for stealing clothing, was fined \$5, given 20 days on the chain gang.

Edna Fields, colored, arrested by Officers J. Hector and Wilkinson, charged with an assault on Mary Fields, colored, was fined \$5.

—Night Report.—Last night was rainy and mild. Three prisoners and thirty-eight lodgers were at the station house.

—NEXT WEEK will be the busiest week of the year at D. Bendheim & Sons. Never were they so bountifully supplied with bargains. Now is the time to buy, when you can choose from hundreds of special purchases too good to last long. Not during the whole experience have such all around low prices prevailed. They're left no stone unturned to justify their reputation of selling the desirable wraps, dress goods, &c., at low prices, and next week's values will more than ever prove to you that you will get tremendous values at D. Bendheim & Sons.

THE GERMAN.—The first german of the season was given last evening by the Alexandria German Club at McBurney's Hall and was a success in every particular, being one of the largest and most beautiful ever given in this city. The figures were well led by Dr. Louis Greene, of this city, dancing with Miss Louise Burke. Among those present were Mr. and Mrs. C. W. Ashby, Mr. and Mrs. George S. French, Mr. and Mrs. Hurd, Mr. and Mrs. Geo. Uhler, Mr. and Mrs. George Drewry, Miss French and Mr. Duncan Bradley, of Washington; Eleanor French and Lawrence Reed, of Washington; Katherine Uhler and Latimer, of Washington; Rosemary Kernan, of New York; and Richard Cooke, of Washington; Rebecca Daingerfield, of Washington; Fairfax Randolph, of Washington; and Walter Scott, of Washington; Sallie Moore and A. B. Hooe, of Washington; Stauffer, of Reading, Pa.; and Clarence H. Howard, Mary Stauffer, of Reading, Pa.; and Randolph Stauffer, Eliza Daingerfield and Wm. Bryant, Nina Johns and Wm. F. Brookes, jr., Hattie Taylor and Taylor Burke, Sara Taylor and Chas. A. Stuart, Agnes Bryant and Arthur Bryant, Kernan, of New York, and Gardner L. Bothe, Elbrey and Edward Campbell, Mae Uhler and Thos. B. Cochran, Sallie Burritt, of Washington, and Rev. J. Daingerfield, Esther Gordon, of Washington, and C. Powell Minnigerode, Emily Elliott and Cooper Dawson, Bettie Smoot and Robt. Fuller, Lucy Brookes and Arthur Herbert, jr., Bishop, of Washington, and F. L. Minnigerode, Scoville, of Richmond, and Garnett Nelson, Hattie Ansel and Albert Smoot, Davidson and J. R. Zimmerman, English and Dr. Julian Miller, Roberta Ansel and Mr. Mahood, of Washington, Elizabeth Lee and Lewis Smoot, Marian Chalmers and K. Kemper, Maclair and Westerhold, of Washington; Royal and Casey, Alice Acton and Raymond Acton, Lottie Daingerfield and Bathurst Daingerfield.

Stages—Judge J. K. M. Norton, A. C. Moss, P. M. Knox, Mr. Bolling, Powell Harrison, of Leesburg; H. Macatee, Mr. Walker, Oliver Meredith, Hardy Fair, Barbour Daingerfield, R. C. Berkeley, Mr. Callahan, Ham Shepard, D. W. Sale, Tate, Bryan, Huyck and others.

The next of the series will be given on December 24th.

PERSONAL.—Miss Estella Norris, of Baltimore, is visiting Mrs. J. D. Stanton.

The condition of Mr. Frank Hauf, whose illness has heretofore been mentioned, continues extremely critical.

Miss Mary J. Shinn, who for the past week has been the guest of Geo. Louis Wagner's family, at Germantown and Philadelphia, has returned to her home in this city.

Miss Roberta Ansel will to-night entertain a number of her friends at a card party to be given at her home on Duke street.

Mrs. F. B. Ewing, who has been quite sick, is improving.

Major Thomas Taliaferro, of Gloucester county, is visiting friends in this city.

Prof. Angus Crawford, of the Theological Seminary, and family have gone to Washington to spend the winter. Prof. Crawford will visit the Seminary daily, however.

Yardley T. Brown, editor of the Loudoun Telephone at Hamilton, Va., was in the city to-day.

Mr. Warrington Gillingham, formerly of Lower Fairfax but now of New Jersey, is visiting friends in this city and vicinity.

Miss Nellie Clarkson, of Haymarket, is visiting Miss Kate Critcher, on North Alfred street.

Mrs. Samuel Sutton was this evening taken to the Infirmary where an operation for appendicitis will be performed.

ADVENT SUNDAY.—To-morrow will be Advent Sunday and services appropriate to the day will be held in the Episcopal Churches. At St. Paul's Church a special programme will be rendered in the morning, including Dudley Buck's "De Deum," in B minor, and at the offertory the anthem, "Arise, Shine, for Thy Light is Come," by Dudley Buck. At the evening service Miss Carrie Evans will sing at the offertory "A Dream of Paradise," by Gray, with violin obligato by Mr. Ed. Dunn and cello by Mr. Walter Whittlesley.

REV. D. J. STAFFORD, D. D., will lecture before the Young Men's Sociality Lyceum at their Hall on Thursday night December 9. His subject will be "Macbeth, or the Punishment of Crime." The doctor's lecture on Dickens in this city about a year ago is well remembered with pleasure by those who were present. He is said to be equally at home with Shakespeare, and his lecture on Macbeth is anticipated with pleasure by a large number of our citizens.

PATRIOTIC SERMON.—Rev. J. Ernest Thacker will preach a sermon to the Junior Order of American Mechanics at the Second Presbyterian Church to-morrow night. Mr. Thacker is one of Alexandria's best preachers, and an interesting sermon is expected. The "Juniors" will meet in their hall to-morrow night at 7 o'clock sharp, and proceed in a body to the church. Every Junior Mechanic in the city is expected to attend this service.

A Clever Trick.—It certainly looks like it, but there is really no trick about it. Anybody can try it who has Lame Back and Weak Kidneys, Malaria or nervous troubles. We mean can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the Liver and Kidneys, is a blood purifier and nerve tonic. It cures Constipation, Headache, Faintness, Sleeplessness and Melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at E. L. Allen's Drug Store.

How to Cure Bilious Colic.—I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people.—Mrs. F. Butler, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by J. H. Janney, Druggist, 701 King street.

You run no risk. All druggists guarantee Groves' Tasteless Chili Tonic to do all that the manufacturers claim for it. We want no cure, no pay. There are no quacks. To get the GENUINE ask for GROVES'.

WARNING.—Persons who suffer from coughs and colds should heed the warnings of danger and save themselves suffering and fatal results by using Our Great Cough Cure. It is an infallible remedy for colds, croup and all throat and lung troubles. Charles G. Lennon.

THE BAZAR.—The "Carnival of Months" under the auspices of the Anne Lee Memorial Association, was last night crowded with guests who were enthusiastic in their praise and profuse in their thanks for the charming entertainment of the "Gypsy Countess." For brilliancy of stage setting and costumes it could not have been excelled. The lovely voices in the chorus, with the graceful rhythmic movements of the dancers, led in a most taking way by Miss Pollard, was entrancing. Words fail to express the delight given by the Gypsy Countess, Miss Mai Greenwell, and by the Count, Mr. William Bryant, in their beautiful duet, so melodiously sung and so perfectly acted. All who failed to be present to enjoy the entertainment missed one of the greatest treats ever given here. The little Quakers gave a most interesting entertainment in the afternoon in which little Wm. Moore, 5 years old, and little Hattie Pollard, 6 years old, acquitted themselves in the most charming manner, much to the enjoyment of all present. The entertainment to-night of the "Grandmother's Dream," (for which the cast was given in yesterday's Gazette) will be one of the most attractive and enjoyable of all the series of good entertainments given this week for the benefit of the Anne Lee Memorial. It is hoped the firemen will accept the invitation of the Anne Lee Memorial Association and attend the bazar to-night in a body. The "Carnival of Months" will be continued for several days next week. The bazar has a large number of beautiful articles for sale most suitable for Christmas gifts. The ladies wish to acknowledge the following contributions: Through Mrs. Bacon, celery from Mr. Senne, oysters from Mr. Geo. Appich and oysters and chicken salad from Mr. Fleischmann. Through Mrs. Winfield Watkins, handsome easel from Mr. Muir, two beautifully framed etchings from Mr. Clark, handsome mirror and toilet bottle from Mr. Chas. Lennon, syrups from Mr. Claude Lennon, shoes from Mr. Palf; donations from Mrs. Proctor, Mrs. Adams, Mrs. Raines, Mrs. Abbott, Mrs. Grimes and Mrs. Reed.

RAILROAD UNION MISSION NOTES.—Mr. James Lyles, of Trinity M. E. Church, will have charge of the men's meeting in the Reading Rooms to-night at 7:30 o'clock. To-morrow afternoon Mr. Covington, of the Theological Seminary, will have charge of the service in the auditorium at 4 o'clock. Mr. Covington being speaker of much power and eloquence, a large crowd is looked for. The special feature of this service will be the solo singing of Mr. George H. Evans, of St. Paul's Church choir. Mr. Evans being well known for his ability as a singer, an announcement of his singing is sufficient to warrant a treat to lovers of music. Very large crowds attend this union mission and the work at this point is increasing in interest. Through the committee on light a gas lamp has been placed in position at the Reading Room and will prove of much benefit in aiding the work at this point. The Workers expect to have a walk laid from Henry street west to the auditorium before bad weather has made its appearance. This organization expects to begin a series of special services in the near future, and they ask the co-operation of all Christians of whatever denomination. The rooms are attended very much by the railroad men now, who take advantage of the privileges of the reading, games and bath rooms.

A VETO.—It is understood that Mayor Simpson will return to the City Council without his approval of the ordinance passed by that body on Tuesday night last giving the American Telephone and Telegraph Company the right to erect a line of poles and string wires in the city. The Mayor takes the ground that the city's interests are not sufficiently protected, that the committee on streets and the City Engineer are given too much power in designating where poles are to be erected, and that a discrimination is made against other such companies in that no bond is required of the American Company. It is probable that Council will be called on Monday night.

PROPERTY SALES.—Capt. R. F. Knox sold at auction to day a lot of ground, 27x60 feet, with improvements thereon, situated on the south side of Queen street, between Patrick and Henry streets, to the Old Dominion Perpetual Building Fund Association, for \$900. Also a lot of ground situated on the southwest corner of the intersection of Queen and Patrick streets, to Prudence Emerson, for \$750. The sale of other property advertised was postponed.

K. OF P.—A joint meeting of Mechanics Lodge No. 3, Oriental No. 6, and Alexandria No. 73, K. of P., was held last night, the occasion being the official visit of Wythe M. Peyton, Grand Outside Guard of the Grand Lodge of Virginia. Mr. Peyton was accompanied by Grand Representative E. R. Byer, who acted as Grand Master at Arms. A large number was present and all spent a pleasant time.

AN ALLEGED THIEF ARRESTED.—Ernest Wilson, who is charged with stealing \$200 from William Lyles and is also suspected of stealing a horse from R. D. Catts, was arrested in Washington to-day by Lieutenant Smith and brought to this city. The lieutenant had been aware of Wilson's whereabouts for several days, and this morning he had no trouble in locating and arresting the fugitive.

CHARTER.—Judge Norton has granted a charter to the Woodley Park Company, the objects of which are the purchase and improvement of real estate in Virginia, the District of Columbia and other States and Territories. The capital stock is \$10,000 and the incorporators are Washingtonians with Mr. T. E. Waggaman as president.

ANTI-TOXINE.—On the recommendation of the city physicians to the poor, who state that they have found anti-toxine very efficacious in the treatment of diphtheria, the Mayor has directed that so much of the toxine as may be necessary for the poor be purchased and paid for out of the city treasury.

Malacia produces Weakness, General Debility, Biliousness, Loss of Appetite, Indigestion and Constipation. Groves' Tasteless Chili Tonic removes the cause which produces these troubles. Try it and you will be delighted. 50 cents. To get the GENUINE ask for GROVES'.

New Toys.

Next week we shall start the holiday season with an entirely new stock of this season made toys. Bright, new toys, we think, are partly responsible for an infinitesimal part of the moral training of the youthful mind. Don't cast a dark shadow over a child's brightest future by giving a dusty toy. Wait for the bright, cheerful, new toys. They bring new life.

INTERESTING MEETING.—The meeting of Mount Vernon Council, Daughters of America, held last night, was decidedly interesting. Three candidates received the degrees of the order and three applications for membership were received. An invitation was received and accepted from the joint committee of the Jr. O. U. A. M. to attend services at the Second Presbyterian Church to-morrow night, when Rev. J. E. Thacker will preach a sermon to the Junior Order of Mechanics. The Daughters of America, as heretofore stated, will on next Saturday evening at 3 o'clock raise an American flag over the tomb of George Washington. A delightful programme has been arranged for the occasion. The council has chartered a special train on the electric railway for that evening and expect a large crowd from this city to attend the services, and also from Baltimore and Washington. Messrs. F. Warden and J. Lloyd went to Mount Vernon to day and erected the flag pole.

SUIT COMPROMISED.—The suit of Mrs. Nellie M. Fitzsimmons, widow of Charles T. Fitzsimmons, against the Southern Railway Company, for damages resulting from the killing of Mr. Fitzsimmons, near Harrisonburg, last summer, while in the employ of that company, has been compromised, the company paying Mrs. Fitzsimmons \$2,500 and funeral expenses, amounting to \$120. The settlement was effected through Mr. E. E. Anderson, attorney for the plaintiff.

At the M. P. Church to-morrow morning Rev. F. T. Benson will preach on the subject, "The Bible, Man's Helper and Guide." In the evening a special service for railroad men will be held, and the subject of the discourse will be "On the Road." Everybody is welcome to these services, and it is expected there will be a large attendance.

In several of the churches to-morrow sermons upon the subject of temperance will be preached.
